

First Destination Survey

Class of 2017

EXECUTIVE SUMMARY

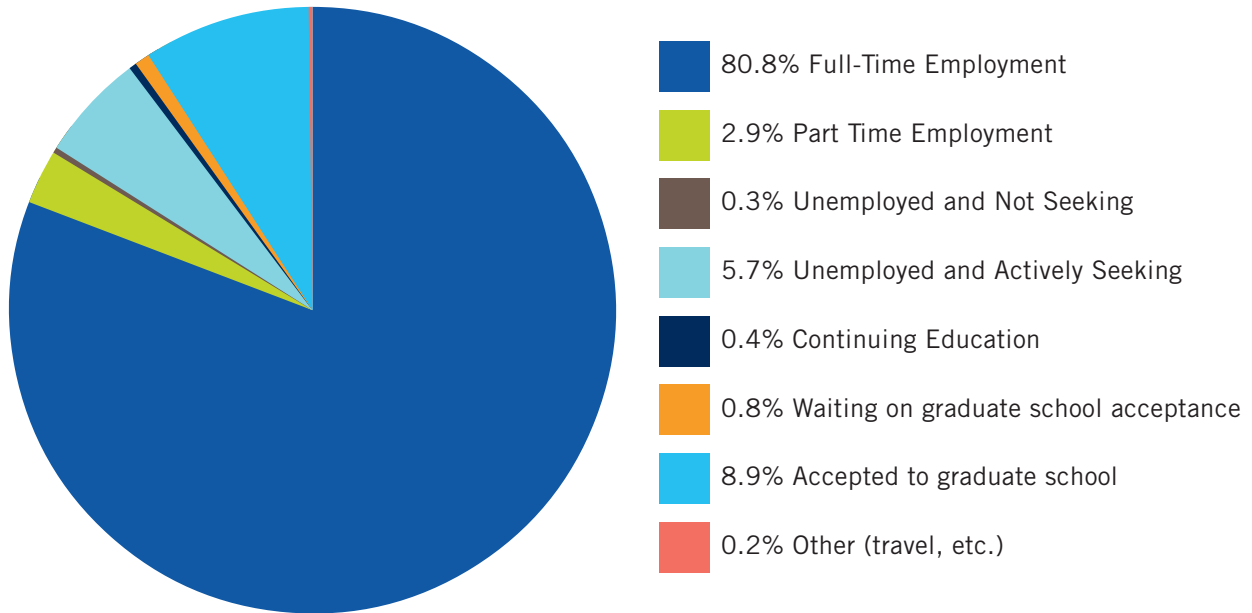

The First Destination Report is the university-wide report of student post-graduation outcomes and activities. The purpose of this report and the data collection process is to understand and assess the post-graduation outcomes and activities of our students. The report includes information about the post-graduation outcomes of undergraduate and graduate students graduating from Indiana State in August 2016, December 2016 and May 2017. Together, this is the Class of 2017. The report uses data collected from 1,669 of the 2,681 graduates in the Class of 2017 from the five colleges and the College of Graduate and Professional Studies.
