OneCommunity™

OneCommunity makes it easy and engaging for employees to get important healthcare information and guidance anytime, anywhere.

STEP 1: REGISTER & COMPLETE THE SURVEY

1. Go to OneCommunity.com.
2. If you participated in the program last year, simply log-in using your email & password credentials. You will be asked if you want to view existing program or join new. For registration purposes, click on "JOIN NEW." Follow the registration instructions & use the invitation code **ISU2018**. (If you cannot remember your password, click on "FORGOT PASSWORD" and a reset link will be sent to your email address.

PROGRAMMING NOTE:
NEW IN 2018

For security purposes, ONLY THE USER can reset a password.

Registration PRIOR TO THE SCREENING EVENT is highly recommended.

Participants will need DIRECT ACCESS to their email account to reset a password at the screening site. ISU / screening staff can NO LONGER reset a password for you at the screening event.

3. If you are a "New User" this year, click on "SIGN UP" in the "Don't have an account" box and follow the registration instructions. Use the invitation code **ISU2018**.
4. You're all set! Now follow the instructions to complete the 5-minute health survey.

STEP 2: GET SCREENED

1. You're almost done! Make sure to schedule your biometric screening appointment during any of the dates & times listed online. ***NOTE:** Please pay attention to the location you choose, to schedule your appointment.
2. Screenings appointments are available for ALL eligible participants at the designated on-campus locations.
3. If you are a remote employee who is unable to complete your screening locally in Terre Haute, you may see a primary care provider of your choice. Please [click here](#) to download your offsite screening form & follow the instructions.
4. The appointments are "first come first serve," so make sure to schedule your appointment today! If you need to reschedule your appointment, just log back into www.OneCommunity.com to reschedule.

STEP 3: VIEW YOUR RESULTS! HERE'S WHAT YOU GET...

After your survey and biometric assessment are complete, your results will be ready to view at OneCommunity.com.
