DATE: June 8, 2017  
TO: Presidential Transition Team  
FROM: Trustee Ed Pease and Vice President Nancy Rogers, Co-Chairs  
RE: Official charge

Thank you for agreeing to serve on this important administrative/operational team. The team has three primary responsibilities:

- a. Advise and promote ways to involve various groups in recognizing Daniel J. Bradley for his exemplary performance as President of ISU and Cheri Bradley for her service as ISU's first lady;
- b. Facilitate the introduction and transition of the new President to ISU and the broader community through a coordinated plan. The plan shall include, but not be limited to, appropriate introduction of the new President to and education about ISU's faculty, administrators, students, staff, alumni, athletic supporters, other external stakeholders, donors, community and Indiana's political and higher education environment. Responsibilities for these constituencies will be particularly defined among members of the Transition Committee;
- c. Develop a timetable for the transition that will commence with the celebration of Dan and Cheri Bradley's service to Indiana State University and end with the formal installation/investiture/inauguration of the new president;

It will be important that each member focus on the overall interests of the University, while bringing the benefits of their individual experience to the process.
