

# Organizational Leadership and Supervision

---

## HRDPT Department

**Description of major:** The accelerated online Organizational Leadership and Supervision Program was designed to address the needs of the working adults who require the flexibility of scheduling while obtaining their college degree. If you are seeking employment or a working professional who wants to enhance your supervisory and leadership skills, the ISU bachelor's degree in Organizational Leadership and Supervision (OLS) is for you! The transfer-friendly OLS program was designed for adult learners who have completed 60 hours of college course work. The OLS program requires students to complete 120 credit hours to graduate, which includes twenty-four hours of core courses and an eighteen-hour concentration that can be fulfilled with an Indiana State University minor, certificate, or interdisciplinary course work approved by an advisor.
