c) UAS Committee Updates – Steve Gruenert

S. Gruenert discussed the following:

- The term ‘assessment’ is making its way into program conversations.
- There have been indicators that the climate of assessment (not the culture) is changing. More faculty are asking how can their work be used in TK20.
- Assessment Day will be September, 7, 2012. There will be 4 – 7 activities leading up to it.

5. Dean’s Report-Brad Balch (REPA 2)

- a) Looks a lot like REPA 1 and includes all testing areas. The state will be taking comments soon. Dean Balch stated that the future forecast will be to include higher education effectiveness based on new teacher performance from school corporations.
- b) Communication disorders, school nursing, social work and school psychology have been moved out of the Department of Education.
- c) Middle school license will change to one content area.
- d) REPA 2 allows for adjunct teacher permits for candidates with a college degree and 3.0 or above GPA. Candidates can get a permit if they pass the test and this permit is renewable for a lifetime.
- e) Induction support has been eliminated. It is up to local districts to provide new teacher support.
- f) The question remains concerning if building administrators have to pass a test.
- g) REPA 2 opens up teacher preparation to a broad selection of outside agencies.
- h) NCATE language has been dropped.

6. Adjournment: The meeting was adjourned by R. Hinshaw at 4:02 pm.

Respectfully submitted by,
