

STATE

Applying to the ISU DAT Program

Doctorate in Athletic Training

Follow this step-by-step guide to
applying to the ISU DAT Program!

Step 1

First, sign up for an account at
<https://apply.indstate.edu/apply>.

1

Step 2

Register for an account with
an email address to which you
have good access.

2

Step 3

The system will send a one-
time PIN to your email. Use
that along with your DOB to
register your account.

3

Step 4

Create a new password for
the account. This along with
your email will allow you to
log into the system and
access your application.

4

Application Management

First-time users: Create an account to start a new application.

Returning users: Log in to continue an application.

Identification Information

Provide your legal name, and any previous names such as maiden name, for example. Please ensure that the name you use to apply matches the name that appears on your official transcripts and standardized test scores.

International Students: Enter your name exactly as it appears in your passport. Your family/surname should be entered in the last name field. Please be sure your name is written exactly as in your passport identity page, in both spelling and order.

Please provide your legal name and any previous names (such as maiden and married names). If you've ever attended ISU and undergone a name change since you last enrolled, apply with your current legal name. Please add the name you originally registered with ISU.

US Citizen—You are a United States citizen if you were either born within the United States or have become a naturalized citizen.

US Permanent Resident—You are a United States permanent resident if you have been authorized to live, work, and attend school in the United States permanently. US permanent residents have been issued a US Permanent Resident Card (Green Card - I-551). [Select no for this question if you have DACA status.]

DACA Status—You have Deferred Action for Childhood Arrival (DACA) status if you were approved and received an approval notice (I-821D) as a child of an undocumented immigrant. You must apply as an international student.

International—If you are not a US Citizen or US Permanent Resident, then please review <https://www.indstate.edu/international>

Nation of Citizenship*

What is your state of legal residence?*

While not required to apply, your social security number is required for financial aid and class registration.

If you are physically outside the state of Indiana AND plan to apply for a fully online program, please review your [state authorization status](#). If you reside outside the US or Canada, you are not eligible to apply for fully online programs.

Certain online programs may lead to licensure or certification in your state. In accordance with U.S. Department of Education 34 CFR Section 668.50 (c)(2) Individual Disclosures, if you elect to enroll in selected programs, you will be asked to acknowledge that you understand the program may not meet all the licensure or certification prerequisites in your state. To learn more visit: <https://www.indstate.edu/academics/online/availability>.

*Indicates a required field

Step 5

Click on "Start New Application"

5

Step 6

Designate whether you are starting a graduate or undergraduate application and click "Create Application"

6

Step 7

Click on your application, double check that you have designated the correct application level, and click "Open Application"

7

Step 8

This is where you enter in your personal information. Make sure to enter all information that is marked by a * symbol

8

Step 9

I authorize Indiana State University to report my academic progress to my high school for the purposes of research and evaluation of the high school curriculum. I certify that all the information provided here is correct. I understand that any falsification is cause for the immediate cancellation of admission to Indiana State University. Indiana State University is authorized to request academic or disciplinary information from other colleges and universities that I have attended in order to verify the information provided on the application.

Per institutional policy, I authorize all communication and processes for my university account to be electronic.

In place of your signature, please type your full legal name:

Step 16

This screen will only show any missing information in your application. It is IMPORTANT that everything is filled out and complete so we can review your application in a timely manner!
