

Indiana State University School of Nursing Master of Science in Nursing Program / Post-Master's Certificate

- - Yes - Available
- - No - Not Available

Revised: 3/15/2019

Factors involved when considering states for our online MSN/PostMS options including number of students, cost to the University for licensing / maintaining licensing for multiple faculty in each state, and other fiscal factors. The extensive process to have a teaching presence in particular states is not feasible.
