Administration

Mrs. Caitlin Schwab-Falzone

Director of Accreditation

Dr. Daniel Bradley, President

Indiana State University

650 Cherry Street

John T. Meyers Bldg Rm TC201C

Terre Haute, IN 47809

Dear Dr. Daniel Bradley:

The ATMAE Board of Accreditation conducted hearings on Wednesday November 1, 2017 at which your request for programmatic accreditation was among those considered. We are pleased to notify you that the following program/options are granted ATMAE accreditation with a report due in two years:

- Bachelor of Science - Electronics Engineering Technology
- Master of Science - Health and Safety
Option: Occupational Safety Management

The two-year report will be due sixty (60) days before the scheduled date of the 2019 hearings, which is a date yet to be determined. Pending acceptance of the report, all of these programs may be brought into alignment through November 2023.

We will contact you when it is time to submit the progress report and what the report should address. Meanwhile, it is the responsibility of each institution to inform ATMAE of material changes to accredited programs and of changes to the contact information for those handling ATMAE accreditation issues.

Regards,

A handwritten signature in black ink that reads "Caitlin Schwab-Falzone".

Caitlin Schwab-Falzone
