# Prep Work for ALT Meeting 12/7

- Consider the strategic goals we've decided to focus on through AY 2020.
- Determine the following for each:
  - What would success look like/what is the target?
  - 2-3 concrete strategies for working toward achievement?
  - Necessary resources for these strategies.
  - How would we measure our success?
- The intended goal of this exercise is to create a rough draft plan at ALT meeting on 12/7 to present to Assessment Council on 12/14.
